

Villa di Sette Bassi – March 15th, 1944

Subject

The archaeological area of Villa di Sette Bassi along the ancient Via Latina. Aerial picture of the Second World War shot in March 15th 1944.

The image belongs to a fund of great historical importance (MAPRW fund, Mediterranean Allied Photo Reconnaissance Wing) of the AFN (National archive of aerial photos) and the ICCD (Central Institute for Cataloguing and Documentation). The fund collects all the images shot by the Allies during the Italian campaign in 1943-1945 for reconnaissance purposes and to identify targets, plan attacks and assess any damage inflicted.

Placement

ICCD (Central Institute for Cataloguing and Documentation)
