

Marble slab with Greek epigraph

Subject

Three fragments of marble slab, with signs of fixing pins, showing a Greek text elegantly carved with the burial dedication put by Kouirinius' anonymous brother (Greek version of the Latin name Quirinius). The young boy died at 23 years, 6 months and 10 days. In the eulogy a very rare adjective was found: "ἀπειρος", that is inexperienced, green.

Found in the underground burial room of the Barberini tomb in the arcosolium infill n.6, during the excavation and cleaning conducted by Soprintendenza Archeologica of Rome in 1998-99.
